Protect Children's Health

Introducing EPA's School IAQ Assessment Mobile App

Use the free **School IAQ Mobile App** to identify, resolve and prevent indoor air quality (IAQ) problems, using low-cost measures. Actions you can take:

- Download the app at epa.gov/iaq/schools.
- Assess IAQ in your schools.
- Identify IAQ best practices and concerns.
- Access the *IAQ Tools for Schools* Action Kit.

Join 60,000 schools with healthier indoor air. Visit epa.gov/iaq/schools to learn and discover more free resources.
