Job Ad – Web Developer/Designer

Consulting firm in Gaithersburg, MD is seeking a permanent Web Developer/Designer with 10+ years of experience to join web team. The ideal candidate will have experience in managing project teams, budgets, and timelines; directly interfacing with clients; and ensuring the quality of web-based products and services. Responsibilities include design, development, testing, and maintenance of Drupal websites, associated web applications and databases, and designing specific pages and user interfaces based on client needs. Candidates must have strong interpersonal communication skills (written/verbal) as well as project management skills and a team-oriented, customer service attitude.

Requirements

General Requirements:

- Minimum BS/BA degree
- 10+ years on the job experience
- Ability to work as part of a project team as well as independently
- Must be self-disciplined with effective time management abilities, and able to work in a fast-paced, multi-task environment with shifting priorities
- Strong organizational and communication skills
- U.S. Citizenship and fluent in English

Technical Requirements:

- 5+ years of Drupal experience, including migrations, front-end development, architecture, and theming
- The ability to build and modify Drupal entities as well as modules
- Excellent PHP development experience
- Knowledge of search engine optimization best practices
- User Experience (UX) design, wireframing, and prototyping with Adobe Creative Suite (Photoshop, InDesign, Illustrator, XD) or Figma
- A good understanding of both LAMP and WAMP stacks and the flexibility to work with other configurations
- Familiarity with U.S. Web Design Systems standards
- A good understanding of GitHub project management
- Jenkins and Section 508 compliance experience a plus

Interested candidate should submit resume and cover letter.

SCG is committed to creating a diverse environment and is proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, or veteran status.
