Job Ad – Junior Graphic Designer/Production Artist

Consulting firm in Gaithersburg, MD is seeking a full-time, permanent Junior Graphic Designer/ Production Artist who is skilled and creative in layout and design to join our in-house design team. The candidate must have proven skills in developing graphical elements to increase visual appeal of publications or increase understanding of publication messages such as developing templates, creating graphics, and applying formatting styles, editing, and refining graphics for use in various publications. The ideal candidate will have proficient knowledge of current design software and be skilled with every step of the design process from concept to the final deliverable.

The candidate will work closely with the Art Director and Creative Team producing a wide variety of materials using the latest printers and production equipment. This is an excellent opportunity for an upcoming designer to learn from an award-winning team with more than 40 years of experience.

Requirements
